

MARITECH MACHINE INC. | 1740 Sherman Ave. Panama City, FL 32405

About Maritech

Maritech Machine, Inc., is a woman owned small business that was established in 1991, and incorporated in 1993 in the state of Florida. We are primarily a precision machine, and fabrication shop dedicated to serving our defense, industrial, marine, heavy construction, printing, and municipal customers. In addition, Maritech Machine, Inc. is a registered partner with the United States Government Defense Logistics Agency.

Our facility consists of 8,000 sq. ft. climate-controlled machine shop and a separate 6,000 sq. ft. welding /fabrication shop with 5-ton overhead crane situated on a 2-1/2-acre industrial parcel located in Panama City, Florida.

We are a family business with a dedicated workforce, committed to customer satisfaction and providing quality products and services.

Quality Policy

“Maritech is committed to provide our customers with superior products & services that meet and exceed all customer requirements by focusing on Quality, Schedule, Continual Improvement/Innovation and Safety.”

Core Competencies

- **Precision Machining and Turning**
 - CNC precision turning and milling
 - 4 axis machining
 - Large turning capacities up to 5 feet in diameter, and 30 feet between centers
 - Shafts of all kinds as well as thread forms
 - Large boring, milling and drilling operations
 - Large internal and external keyways
 - Solid works/Solid Cam software

- **Fabrication and Welding**
 - Capabilities to reverse engineer detail parts and assemblies
 - AWS D17.1 Aerospace Fusion Welding certified
 - AWS D1.1 Welding certified
 - Mig, tig, flux core, stick, aluminum, stainless, and carbon welding
 - Keyence Laser Marker/Engraver

- **Quality**
 - AS9100/ISO9001 Certified
 - Mitutoyo CMM
 - Mitutoyo Optical Comparator
 - Starrett Hardness Tester
 - QA-CAD Inspection Reporting Software

Clients

- **Aerospace and Defense Industry Customers**
 - ANB Aviation – Peachtree City, GA
 - SERCO Inc. N.A – Panama City, FL
 - Booze Allen Hamilton – Panama City, FL
 - Huntington Ingalls Industries – Panama City, FL
 - LSI – Jacksonville, FL
 - EMF Inc. – Merritt Island, FL
 - Explotrain – Ft. Walton Beach, FL
 - Xometry – Lexington, KY
 - Defense Logistics Agency

- **Oil, Gas & Power Industry Customers**
 - Oceaneering - Panama City, FL / Houston, TX
 - Berg Pipe - Panama City, FL / Mobile, AL
 - Kraton Chemical – Panama City, FL
 - GE Renewable Energy – Pensacola, FL

- **Industrial Manufacturing Industry Customers**
 - West Rock Paper Mill – Panama City, FL

Contact Info

Machine Listing

- **Mills/Lathes**

- Solid works/Solid Cam software
- DMG-Mori NLX 2500-1250 lathe with live tooling and Y-axis
- DMG-Mori NLX 1500-500 lathe with live tooling, Y-axis, and sub spindle
- Okuma Genos M560-V 4 Axis Milling Center 20" x 40" capacity
- Haas VF5 Milling Center with 50" x 26" capacity
- Femco CNC Turning Center 24" x 49" capacity
- Bridgeport EZPath II CNC Lathe: Turning capacity 20" x 40" between centers
- Doosan CNC Turning Center 12" x 20" capacity
- Dynapath CNC Bedmill: 2000# Table capacity, travels: X 50", Y 22", Z 24"
- Bridgeport EZ Track CNC Mill 9" x 49" capacity
- Doosan CNC Vertical Milling Center 40" x 20" capacity
- Doosan CNC Turning Center 10" x 20" capacity
- Niles Engine Lathe: Turning Capacity; 62", 30' between centers
- Monarch Engine Lathe: Turning Capacity; 40", 22' between centers
- WMW Heckert 450 x 1800 Horizontal Vertical Mill: 3500# Table capacity travels; X 52", Y 34", Z 24.75", and Accurate Digital Readout
- Assorted Manual Vertical, and Horizontal Knee Mills, Engine Lathes, Keyseaters, Shapers and Surface grinders

- **Welding and Fabrication**

- Miller 600 AC/DC Welder: Mig, Flux core
- Miller 300 AC/DC Welder: Mig, Flux core, Stick
- Miller Syncrowave 250 DX: Tig, Stick
- Miller Millermatic 250 DX: Mig, Flux core
- Hypertherm 1250 Plasma Cutter
- CNC Plasma Cutter FabMaster-II Plate Pro
- Schindler Electric Furnace: Temperature Range +2000F, capacity; 18" x 12" x 18" programmable Honeywell DCP 100 digital controller for heat treating
- 5 ton overhead crane

- **Quality**

- Mitutoyo Crysta-Plus M7106 coordinate measuring machine: Resolution: .00002 inches(.0005mm) can measure parts up to 27.56" x 39.27" x 23.62" with 1,762 lb. table capacity.
- Mitutoyo PH-A14 Optical comparator
- Starrett Bench top Hardness Tester 3814: Basic Rockwell comparisons on the A, B, and C scale
