BEAVERFIT HUMAN PERFORMANCE SHELTER SOLUTIONS

BeaverFit Human Performance Shelter Solutions offer a wide range of enhancements to your Performance Lockers. These overhead or enclosed shade and shelter structures are designed to improve your Performance Lockers or existing outdoor training area.

All BeaverFit Human Performance Shelter Solutions are purpose built to meet each client's unique mission essential tasks and training requirements. Our collaborative, requirements-based process enables Human Performance Shelter Solutions to range from expeditionary single modality solutions with a compact footprint, all the way up to multi-functional, multi-modality, highly customized field-house style facilities.

DAM STRONG

OVERVIEW

BeaverFit Human Performance Shelter Solutions will provide protection from the elements for new or existing training spaces.

- Each BeaverFit Human Performance Shelter Solution is semi-permanent and relocatable, therefore they can be classified as Equipment rather than Real Property
- Avoids the MILCON process; have a functioning solution in months, not years
- Each quote includes shipping, project management, installation and site work costs in an effort to simplify and streamline the purchase process

SUNPRO

The BeaverFit SUNPRO is a utilitarian option for those units looking for shelter from the elements for their training and testing, but do not wish to fully enclose the facility.

- Open-ended Human Performance training/testing solution
- In addition to cover from rain and snow, shade can reduce temperatures by 10-15 F during hot summer months
- Custom unit/branch logos available on Lockers, flooring, or shelter

24' X 86' SUNPRO OVER CUSTOM BEAVERFIT RIGGING THAT ATTACHES (2) 10' LOCKERS.

50'W X 40'L SUNPRO ATTACHED TO (2) BEAVERFIT PERFORMANCE/STORAGE LOCKERS WITH BOTH RUBBER AND TURF FLOORING.

BEAVERDOME

The BEAVERDOME from BeaverFit offers insulated roofing and walls, HVAC, and electrical systems with lighting.

- Enclosed Human Performance training/testing solution
- Optional HVAC/insulation/lighting available
- Anchoring, Lockers, flooring, and logos have all the same options as our SUNPRO solutions

OF A 130'W X 445'L
PROPOSED BEAVERDOME

CAMP AP'S BEAVERDOME IS 7,000 SQFT OF OPEN SPACE, 2,240 SQ-FT OF CONTAINERIZED STORAGE, AND A HUGE LOADOUT OF HUMAN PERFORMANCE TRAINING RIGGING AND EQUIPMENT. THIS FACILITY FEATURES LIGHTING, INSULATION, AND HVAC.

ACFT SUNPRO & BEAVERDOME

The ACFT SUNPRO and BEAVERDOME are fully-customizable Human Performance Shelter Solutions designed to enable ACFT specific training and testing, as well as create a multi-purpose human performance training area. The ACFT SunPro and BeaverDome's standard sizes include (16) lanes of professional grade turf.

The ACFT SUNPRO and BEAVERDOME can feature structural or freestanding BeaverFit Lockers, leg tuck stations, and integrated modular shelving storage for ACFT accessories. Both BeaverFit ACFT Human Performance Shelter Solutions can be customized to any size required and can be as robust or as spartan as the budget allows.

16-LANE ACFT SUNPRO FEATURING STRUCTURAL CONTAINERS FOR EXTRA STORAGE CAPABILITY. IT ALSO INCLUDES A RUBBER ENDZONE WHERE BEAVERFIT LOCKERS, TRAINING RIGS, AND EQUIPMENT/ACCESSORIES CAN BE UTILIZED.
