

ROPER

FAST ROPING GLOVE

The Roper turns any glove into a fast roping glove. The Roper Fast Rope Glove slides over your favorite tactical glove, allowing for unmatched dexterity, immediate weapon manipulation, and quick detachment. Featuring a free trigger finger and 2-ply cowhide leather, the Roper is both versatile and heat resistant.

FREE TRIGGER FINGER

A free trigger finger gets you on your sites immediately for rapid engagement.

HEAT RESISTANT CONSTRUCTION

Resists heat with less friction and an extra layer of protection. Stop burning your hands and shredding your gloves.

SPECS

1-RPR-BLK

01 GRIP SYSTEM

Our 2-part proprietary grip system increases grip by nearly 300%.

04 RETENTION LOOP

Attach the Roper to the tactical glove underneath. Retention loop allows for quick removal of the Roper after hitting the deck.

02 FREE TRIGGER FINGER

The free trigger finger allows for immediate weapon manipulation without having to remove the glove.

05 VELCRO STRAP

A 1" Velcro® strap ensures a secure fit for any size hand. Strap prevents rope burn during the slide.

03 DOUBLE LAYER LEATHER

2-Ply leather combined with a smooth surface allows for maximum heat resistance by reducing friction and heat transfer to the hands.
