

SUMMIT COMBAT GLOVE

COLD WEATHER GLOVE

The Summit Combat glove combines essential weather resistance with maximum dexterity. Featuring a premium DWR Tweave® shell combined with a lofted insulation and smooth goat leather, the SCG keeps warmth in and the weather out.

TOUCH-SCREEN ACTIVE

TouchSync technology allows for seamless interfacing with the growing amount of touch-screen devices in the field.

SPECS

1-TS-SCG-CYT

1-TS-SCG-BLK

1-TS-SCG-OC

01 OVERSIZED STRAP

Oversized Velcro® strap allows for a secure hold in all extreme weather environments.

04 TOUCH-SCREEN

Permanent TouchSync micro-material is embedded into both index and thumb leathers, enabling easy operation of phones and tablets.

02 PRE-CURVED DESIGN

All our gloves are cut and sewn to compliment the natural curvature of your hand. Strategic seam placement allows for maximum comfort.

05 WEATHER RESISTANT SHELL

Tweave® Durastretch outer shell combats the elements, blocking rain, snow, and wind while remaining breathable and light.

03 HEAT LINER

The hidden heat liner retains warmth and adds comfort. Combined with the outer shell, wind and rain are held at bay.
